Data Structures

Coding Singly linked lists
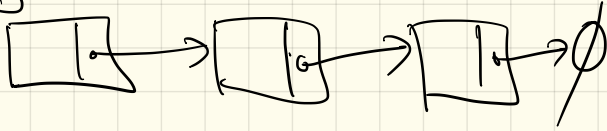

Today

- office hours 1-2pm
- HW due last night, lab today
- Next hw up
  SLinkedList Class
  - I'm gone next Mon + Tues
    (you do have class)
  - Git is now happy :)

  - course repo
    :courses/spring18/CSci 2100/course
    pull this
    copy files to your directory

Singly linked lists

head

In C++:

- We need a node class/struct
- LOTs of pointers (lots of seg fault)

Last time:
.h file
